

**PROGRAM**  
**VISIT OF GUEST DOCTORS FROM CHINA**

**FIRST BULGARIAN-CHINESE SCIENTIFIC SEMINAR IN THE FIELD OF MEDICINE -  
DIAGNOSTICS, PREVENTION AND TREATMENT OF SOCIALLY SIGNIFICANT DISEASES**

Hosted by Acibadem City Clinic University Hospital Tokuda  
Official language of the event - English

OCTOBER 20-24, 2025

**OCTOBER 20<sup>th</sup>**

**09:00-12:00 Scientific session I**

**Moderators: Prof. G. Kirova, Prof. Xue Huadan**

**09.00–11.00 Prof. Xue Huadan**

Topic 1: Current Clinical Status of Artificial Intelligence (AI) in Medical Imaging.

Topic 2: Development Status of Medical Imaging Technology in China.

**11:00-11:30 Prof. G. Kirova**

Topic: Medical Imaging, ACC University Hospital Tokuda

**11:30-12:00 Discussion**

**13:00-14:00** Deputy Director-General Wang Jian and Professor Xue Huadan visit to Medical Imaging departments of ACC University Hospital Tokuda.

**OCTOBER 21<sup>st</sup>**

**09:00-9:30 Opening Ceremony**

Speech by **Prof. Ivan Staikov**, Hospital Medical Director and Head of Department of Neurology and Sleep Medicine; Speech by **Ms. Wang Jian**, Deputy Director General of International Health Exchange and Cooperation Center of National Health Commission of P.R.China; Speech by **Ms. Katya Ivkova**, Director of International Cooperation from the Ministry of Health, Bulgaria; Speech by **Mrs. Dai Qingli**, Ambassador of China's Embassy to Bulgaria

**09:30-12:00 Scientific session II**

**Moderators: Prof. N. Mladenov, Prof. Xue Fushan**

**09:30-11:00 Prof. Xue Fushan**

Topic: Management of tracheal intubation in severe adult patients, rapid sequential induction, clinical safety management of high-risk airways, clinical management of physiologically difficult airways, video laryngoscopy and airway management

**11:00-11:30 Prof. N. Mladenov**

Topic: Emergency medicine, anesthesiology and intensive care, ACC University Hospital Tokuda

**11:30-12:00 Discussion**

**14:00-16:00** Professor Xue Fushan visit to Emergency Medicine/Anesthesiology and intensive care department of ACC University Hospital Tokuda.

**OCTOBER 22<sup>nd</sup>**

**09:30-13:10 Scientific session III**

**Moderators: Prof. K. Draganov, Prof. Hu Sanyuan**

**09:30-11:20 Prof. Hu Sanyuan**

Topic 1: Clinical Application of Robotic Surgery and Development and Applied Research of Laparoscopic Surgical Robots

Topic 2: Lean Management in Hospitals - Comparative Analysis and Collaborative Development of China-Bulgarian Experiences under DRG Payment System Reform

**11:20-11:40 Prof. K. Draganov,**

Topic: General surgery, ACC University Hospital Tokuda

**11:40-12:00 Prof. Tz. Minchev,**

Topic: Robotic surgery – Thoracic, ACC University Hospital Tokuda

**12:00-12:20 Ass. Prof. L. Tanchev,**

Topic: Robotic surgery – AG, ACC University Hospital Tokuda

**12:20-12:40 Dr. A. Popov**

Topic: Robotic surgery – Urology, ACC University Hospital Tokuda

**12:40-13:10 Discussion**

**14:10-16:30** Visits/tours to the following clinics and departments - General Surgery, Thoracic, AG, Urology, Operation Room – Robot Da Vinci.

**OCTOBER 23<sup>rd</sup>**

**09:00-11:10 Scientific session IV**

Moderators: **Prof. V. Yablanski, Assoc. Prof. T. Spiriev, Professor. Liu Haiying**

**9:00-9:40 Professor Liu Haiying**

Topic 1: Diagnosis and treatment of scoliosis

Topic 2: Navigated Minimally Invasive Corrective Surgery

**09:40-10:00 Discussion**

**10:00-10:20 Prof. V. Yablanski**

Topic: Scoliosis, orthopedics, ACC University Hospital Tokuda

**10:20-10:40 Prof. V. Nakov, Ass. Prof. M. Genchev**

Topic: Minimally Invasive neurosurgery, ACC University Hospital Tokuda

**10:40-11:10 Discussion**

**11:10 – 12:30** Visits/tours to the Neurosurgery and Orthopedics

**OCTOBER 24<sup>th</sup>**

**11:00-12:50 Scientific session V**

Moderators: **Prof. I. Staikov, Prof. Li Jingwei**

**11:00-11:40 Prof. Li Jingwei**

Topic 1: Development of Interventional Neuroradiology

Topic 2: Interventional Therapy for Cerebrospinal Vascular Diseases

**11:40-12:00 Prof. I. Staikov, Dr. N. Neykov**

Topic: Ischemic stroke and sleep apnea. AI - a good or bad tool?, ACC University Hospital Tokuda

**12:00-12:20 Prof. I. Staikov, Dr. N. Mihnev**

Topic: Modern treatment of ischemic stroke in its acute phase, ACC University Hospital Tokuda

**12:20-12:50 Discussion**

**13:00-15:50 Scientific session VI**

Moderators: **Prof. V. Traykov, Prof. Wang Shouzheng**

**13:00-13:40 Wang Shouzheng**

Topic 1: Multidisciplinary Team (MDT) Decision-Making and Management for Structural Heart Diseases

Topic 2: Ultrasound-Guided Transcatheter Interventional Therapy Techniques

**13:40-14:00 Discussion**

**14:00-14:20 Prof. V. Chervenkov, Dr. B. Ilchev**

Topic: Vascular Surgery, ACC University Hospital Tokuda

**14:20-14:40 Prof. V. Gelev**

Topic: Cardiology, ACC University Hospital Tokuda

**14:40-15:00 Prof. D. Nikolov, Dr. G. Vassilev**

Topic: Cardiac Surgery ACC University Hospital Tokuda

**15:00-15:20 Prof. V. Traykov**

Topic: Electrophysiology (ACC University Hospital Tokuda)

**15:20-15:50 Discussion**

**16:00 – 17:50 Scientific session VII**

**16:00 – 16:40 Prof. Wu Xiao**

Topic 1: TCM Acupuncture

Topic 2: TCM Tuina (Therapeutic massage)

**16:40 – 17:00 Mr. D. Spasov**

Topic: Application of Acupuncture in Tokuda, ACC University Hospital Tokuda

**17:00 – 17:20 Dr. V. Ikonomova, Dr. G. Vitlarov**

Topic: Rehabilitation and Physical Therapy, ACC University Hospital Tokuda

**17:20 – 17:50 Discussion**

**18:00 – 18:30 Closing Ceremony**

Closing Speeches by **Prof. I. Staikov, Prof. Wang Shouzheng, Prof. Wu Xiao, Prof. Li Jingwei**

**18:30 – 20:30** Visits/tours to the following clinics and departments – Neurology, Cardiology, Cardiac Surgery, angiography and electrophysiology room, Vascular Surgery, Rehabilitation and Physical Therapy
